## CAPABILITY STATEMENT

Robinson's Interiors Carpet One is a second-generation family-owned flooring company that began in 1980 by serving residential customers in the CA Central Valley. Through strategic partnerships with large carpet mills, the company provides excellent prices and products. As a California C-15 contractor, Robinson's delivers flooring solutions for commercial, institutional, and government projects. In 2024, Robinson's covered more than 500,000 SF with soft and hard surfaces; in the past 20 years, the company covered 5 million SF. From design to installation, Robinson's experts create beautiful, durable flooring.
